Overview

All businesses subject to reopening rules are required to [self-certify](#) prior to opening. Visit [here](#) for a searchable list of businesses that have self-certified.

Due to the increasing rate of COVID-19 in Connecticut, Governor Lamont has ordered the entire state to roll back to Phase 2.1 rules – a slightly modified version of the previously enacted Phase 2 rules – effective at 12:01 a.m. on Friday, November 6. A comparison of Phases 2, 2.1 and 3 rules can be found below.

Also effective at 12:01 a.m. on Friday, November 6th, the following business sectors will be subject to a 10:00 p.m. closing time 7 days per week.

- Restaurants (last service for in-person dining at 9:30 p.m., although takeout and delivery may continue)
 - 24-hour diners may reopen for indoor dining for breakfast at 5:00 a.m.
- Entertainment and recreation venues (e.g. movie theaters, bowling alleys, performing arts theaters)
- Indoor and outdoor events at commercial venues

Please note that events previously scheduled to take place prior to November 9 may still take place in accordance with the Phase rules that were in place in their municipality prior to the announcement of Phase 2.1. Please see [here](#) for a list of municipalities who have reverted to Phase 2 election under EO 9G/EO 9J.

Employers are reminded to maximize telework to the extent possible, and those over 65 and with chronic conditions are urged to remain home as much as possible.
